Please keep an eye out for this with the details of how to sign up.

### **NEW! Inspired Facilities...**

Inspired Facilities is focused on making it easier for local community and volunteer groups to improve and refurbish sports clubs or transform non-sporting venues into modern grassroots sport facilities. Part of Places People Play, Sport England's programme to deliver a London 2012 legacy of increased mass participation in sport, it is investing £50 million of National Lottery funding in up to 1000 community sports projects between 2011 and 2014.

**Tired, worn out, old facilities make it harder for people to start or keep doing sport. They can also be more expensive to run and difficult to maintain.**

- The Inspired Facilities fund could help you refurbish or upgrade your sports facility; or convert an existing building into a venue suitable for sport and accessible to the whole community. This fund will invest in most types of improvement or refurbishment work that will help you develop sport in your local area.
